WARRANTY

We guarantee every new Walker Jack to be free from defects in material or workmanship for a period of one year from date of delivery to original purchaser. We will replace any defective Walker Jack parts provided the Jack is submitted, transportation charges prepaid, to the Factory or an authorized Walker Service Station for inspection. This warranty does not apply to parts worn out in normal service or broken from accident, overload, or abuse, nor does it apply to any Jacks that have failed to operate due to the use of hydraulic brake fluid, shock absorber fluid, alcohol, or other harmful liquids. Any alterations which affect the operation or condition of the Jack or any damage from repairs made by other than recognized Authorized Service Stations will void this warranty.

SERVICE AND REPAIRS

At the Official Walker Service Stations listed below, also at our factory at Racine, Wisconsin, broad stocks of service parts for both Walker Jacks and Electric Lifts are carried. Also at these stations and at the factory, well trained mechanics, who are specialists in Walker lifting equipment maintenance and overhaul, are ready to give prompt, thorough and reasonably priced service.
